Dr. Keith Pettengell & Team.

I want to express our sincere gratitude for the Magic Show that you put on for our children. They thoroughly enjoyed it.

Even though our children will not be able to articulate it in so many words, the element of surprise would have helped open their minds to the variety of possibilities that situations can offer. We tend to believe that things in life will follow its set course, but magic helps us to realize that it need not be so. This is an important lesson for all of us.

Best regards.

Yours sincerely

Rev. Dr. Vincent Dippenaar
Principal.
